Fake Hadiths

In Sahah Sitta

Abu Hayyan Aadil Saeed

Hadith is a universe of Fake and fabricated stories, which were fabricated by undercover Majoosi Rafidi narrators. The main targets of these Majoosi liars were Al Quran, the Holy Prophet SAW, and his companions RA.

The main corruption of fabricated hadith is its false justification against the Holy Prophet Muhammad PBUH. The falsification of hadith caused a negative effect on many aspects such as faith, religious law and acts of worship.The fake hadiths also disgraced the Holy Prophet PBUH and Companions of Holy Prophet SAW.
